Answer NO, there are lost souls who did not Passover at their time of bodily death, but these are not evil, just very confused and frightened. These are the ghosts that people sometimes referred to.

**Q24 Can lost Souls materialise?**

Answer NO, only those who have been trapped on earth for a few hundred years have learned the trick of materialising for a few moments.

**Q25 Do Angels exist ?, and are they good or bad?**

Answer YES angels exist in many forms, and ALL Angels are good.

**Q26 How do Souls get trapped on earth?**

Answer souls get trapped mainly due to sudden death or the brain becoming disorientated due to drugs or alcohol, these causes make it difficult to understand the need to go to the "light" to Passover, and as a result the window closes.

**Q27 What is the window and the light?**

Answer These expressions refer to the Tunnel which appears three minutes after physical death and closes between four and five minutes later. The tunnel has a white light at its other end.

**Q28 Do humans ever meet their Spirit Guide?**

Answer YES, they meet for the only time when the human passes over and goes up the tunnel, their Guide is waiting to greet them.

**Q29 It is a common belief that when one passes over and goes to heaven, one is going to meet all one's relatives?**

Answer This is a very common myth which suits the human level of perception and is a major hurdle in human understanding of God and their own future as an immortal Soul . God is a God of Love, Reason, Logic, Truth, Trust and Faith, and all life lives within that context. Man chooses this common belief to relieve his fear and give him comfort.

**Q30 Many people believe that Heaven is a parallel world to earth, but is a happy place with no pain and plenty of all life's riches?**

Answer NO, heaven is not a parallel world to earth, it is full of love and joy, but each soul is going through a development stage where it is working on past life omissions prior to its next re-incarnation and further growth.

**Q31 Is it only religious leaders and good church people who can do Gods work on earth and have their prayers heard by God?**

Answer Definitely NOT, any person who feels the need to pray or work for God can do so, God is very happy with willing converts who are genuine.

**Q32 Is there any point in praying to God?**

Answer YES, praying opens up the energy channel to your Guide and to God, and prayer is always answered, but usually not the way one would expect.

**Q33 Do we come back to earth to punish ourselves for being a bad person in our previous earthly existence?**

Answer NO, this is a common myth, but there is no question of punishing oneself, for such thought does not exist in heaven.

**Q34 Why do some people have a terrible existence on earth?**

Answer People become victims of other peoples poor behaviour, usually at an early age, and this behaviour tends to become a way of life, unless proper help is given. The victim is usually not guilty of any wrong.

**Q35 It is a common belief that we choose our parents?**

Answer NOT TRUE, this could be called that element of chance and time based on that micro-second in time.

**Q36 Do we choose anything about our future existence?**

Answer The answer is twofold, while in spirit the soul may choose to serve a special cause on earth (it does not always happen), but the main answer is NO, you have no control over your sex, nationality, parents or lifestyle.

**Q37 Do really evil people or murderers go to Hell?**

Answer NO, Man creates a Hell on earth for himself but it does not exist in heaven, When an evil person passes over and he was not evil in his last lifetime, he goes to heaven to work on his omissions. If he had a previous bad existence in the last lifetime then he goes to what we would call the Retard box, were he would perpetually relive his violence and cruelty until he understands the problem, then he gets another chance to grow.

**Q38 IS going through the tunnel the only way to enter heaven?**

Answer NO, those souls who get trapped on earth can be sent across a bridge by some sensitive mediums, who act as guides on the earthly side, It is the same principle though, going towards the light.

**Q39 Why is there so many different ideas about spirit communication and messages?**

Answer The Answer lies in mans ability to understand and perceive the information being given. Spirit can only give answers at a level that the individual can understand and accept, and in this context man is still very primitive.

**Q40 How can one say man is a primitive after all his achievements?**

Answer Man is not the only life in the Universe, and he is the second most primitive to exist at present.

Answer NO, None teach his true word, but rather that which was created by the early priests which was more about man creating hierarchical power for their own benefit.

**Q44 Why is it so difficult to accept Gods Word on life?**

**Q45 HAS man had many other lifetimes on earth before?**

Answer YES, ranging from hundreds to thousands, but man tends to think only in five or six previous existence's.

**Q46 Some people claim to have more than one Guide, is that true?**

Answer NO , all spiritual communication is through that guide, though it appears that there are more on certain occasions according to one's level of understanding. Only ONE VOICE IS HEARD THOUGH, any others belong to that person.

**Q47 Do some people have very famous Guides as many people claim?**

Answer NO, Guides do not have names, but will give a name to help the person, but it will be a name of one of their lives which is ordinary for reasons of spiritual law.

Answer NO, to begin with Archangels do not exist, they were invented by man. Angels do exist, but not as Guides.

Answer Having a North American Guide is the "In Thing" with many people because of their early spiritual approach to life, some people do have them as Guides, but in reality there are more alleged guides than there was American Indians.

**Q50 Why is there so much misunderstanding about God and his Teachings?**

Answer This is a very a complex problem, but the answer lies in two main areas of human perception. Firstly, religious groups have distorted God and his word for centuries, this has confused people, and secondly, people have many different levels of understanding which causes great misunderstanding and distortion of the facts.
